### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art of record neither teaches nor suggests ***all*** of the claimed subject matter of claims 1, 10, and 19 including the bracket for supporting a rail to a post having two bores with central axis parallel to central axis of the opening for the rail, wherein the bores are offset from each other wherein the central axis of the first bore being offset from the central axis of the second bore by a distance greater than the offset dimension such that a fastener extending through the passage is guided into a position that is angled with respect to the central axis of the opening the rail supporting portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Erwin U.S. Patent 6,471,192, Erwin U.S. Patent 6,557,831 and Coltrin U.S. Patent 4,074,893 show the state of the art.
